ABOUT ME

Aspiring Front-End Developer with hands-on experience in JavaScript, React, Tailwind CSS, HTML and C++. Passionate about building intuitive user interfaces and solving real-world problems through code. Currently focused on mastering modern web technologies and integrating AI-powered features into frontend applications.

EDUCATION

University of Central Punjab

Lahore, Pakistan

Bachelor of Science in Computer Science

2025 – present

- Relevant coursework in PF, ICT

SKILLS

- **Technical:** HTML, CSS, JavaScript, React.js, Tailwind CSS, Framer Motion, C++.
- **Tools:** Git, GitHub

PROJECTS

Foodie Hub – Food Ordering Web App

- Developed a food ordering platform where users can browse multiple restaurants, explore their menus, and place orders through a clean, intuitive interface.
- Built using React.js, Tailwind CSS, and JavaScript (ES6+), with dynamic restaurant listings, menu filtering, and a responsive, mobile-first design.
